REGISTRATION PROCESS

- Online registration is on a First Come, First Served Basis. The Maximum number per AM or PM Session is 40 children.
- Registration is required and will be accepted online. **NO PHONE OR IN PERSON RESERVATIONS.**
- Online Registration will close the 2nd Thursday of the Month.

- Registrations received after the deadline will be considered at the discretion of the Reserve Staff.
- There is an NON-REFUNDABLE/NON-TRANSFERRABLE Administration Fee of \$3 per child per month due at time of registration.

GENERAL POLICIES

1. Children must be accompanied by a Parent or Caregiver. The Parent or Caregiver should be with the child during Tiny Wonder Time and be involved in the process and help with the craft, or any other activity that the children need help with.
2. Children must be ages 2-4 or turn 2 during the month in which you are attending. Our Tiny Wonder Time activities are targeted for children ages 2-4.
 - If your child is too young and you have another child participating, please feel free to bring them, but please wait until they are 2 to register and participate, as the activities will not be age appropriate and there is cost associated with the activities.
 - If your child is 4, and will turn 5 during the registered session (i.e. January – May; June – August; September – December) they are more than welcome to complete the session. If your child turns 5 before the next session, they will be missed at Tiny Wonder Time, but are more than welcome to attend Nature Story Time on Fridays for 3-5 year olds.
 - If your Tiny Wonder is too old (5 and older) but you have another child participating, we understand that they may need to join you, but please have them refrain from participating and answering questions.
3. Children will be categorized by age for groups as much as possible. In the event of siblings, they will be grouped together in the group of the oldest child.
4. The policy for outside activities is dependent on the temperature. Less than 20 degrees, we will not be going outside. The outside portion is usually 5-10 minutes during the winter months.
